

RESIDENTIAL REBATE APPLICATION

Eligibility Requirements

- The property must be a single-family residence within the Tualatin Valley Water District, such as a house, condominium, or manufactured home served by a single meter or a master meter serving multiple homes (condominiums) as verified by TVWD.
- Applicant must have a current TVWD water account in good standing or own eligible property within the TVWD service area.
- **High-efficiency toilet rebate:** Applicants must replace old inefficient toilet(s) by purchasing and installing new EPA WaterSense labeled High-Efficiency Toilet(s). Limit: 3 toilet rebates per property.
- **Weather-based irrigation controller rebate:** The new controller must be a WaterSense labeled weather-based irrigation controller. Limit: 1 rebate per property.
- **Multi-stream rotating nozzle retrofit rebate:** Applicants must replace existing nozzle(s) with multi-stream, multi-trajectory, matched precipitation, adjustable arc, rotating nozzles. Limit: 32 nozzles per property.
- Applications must include a copy of an itemized sales receipt from a retailer or contractor supplier that specifies the purchase date, purchase price, manufacturer and model and verifies that payment has been received. **Photographs and online order confirmations are not acceptable proof of payment.**
- The total rebate per item will not exceed the receipt amount. Accessories and labor are not included.
- The application must be received by TVWD within 90 days of purchase date.
- Prior to approval, an on-site inspection may be required by TVWD.

How To Apply: Read these instructions completely

- Confirm you are a TVWD water customer at tvwd.org/provider or call 503-848-3000.
- High-efficiency toilet rebate:** Verify the toilet(s) you purchased are EPA WaterSense labeled High-Efficiency Toilet(s) at tvwd.org/QualifyingToilets.
- Weather-based irrigation controller rebate:** Verify the controller you purchase and install has earned the **EPA WaterSense** label. A list of eligible controllers can be found at epa.gov/watersense/products/controltech.html. Make sure your irrigation system is in good working condition and always repair any damaged or broken components immediately to avoid wasting water.
- Multi-stream rotating nozzle retrofit rebate:** Verify you are replacing traditional sprinklers and/or nozzles with multi-stream, multi-trajectory, matched precipitation, adjustable arc, rotating nozzles. Visit tvwd.org/RotatingNozzles for a qualified list.
- After purchasing and installing your new products per the eligibility requirements outlined above, complete this application form.
- Attach a copy of the receipt. Photographs and online order confirmations are not acceptable forms of proof of purchase. Applications received without a receipt will be rejected.
- Choose the most convenient option to submit the application and receipt:
Online: tvwd.org/portal
E-mail: conservation@tvwd.org
Mail: TVWD, Attn: Rebates, 1850 SW 170th Ave, Beaverton OR, 97003

For more information, call 503-848-3000. Please allow 4-6 weeks for processing.

Rebate applications that are incomplete, lacking required documentation or missing a signature will be rejected. TVWD is not responsible for items lost or delayed in the mail.

Rebate Agreement/Release of Liability

I certify the information I have provided is true and correct, and I have purchased the goods and/or services for use at the location indicated. I grant permission to Tualatin Valley Water District, with notification, to enter upon the property to inspect the installation of rebate goods and/or services to assure program requirements are met. I understand rebates are distributed on a first-come first-served basis until funds are distributed.
