WATER DISTRICT

This Thursday - Meet the Contractor Open House 189th Pump Station Project

Join us **this** Thursday, February 15, to learn more about the upcoming construction at the 189th and Hart Road water reservoir site. Drop by, have a snack, and talk to the project team about how this construction, starting in April, will impact your neighborhood.

As part of the 189th Pump Station Project, TVWD will replace the pump station, demolish the existing reservoir at the corner of SW 189th Avenue and Hart Road, and install new water main pipes on SW 189th Avenue.

When: Thursday, February 15, 5 – 7 p.m.

Where: Jenkins Estate Stables 8005 SW Grabhorn Rd. Beaverton

Learn more about the project and sign up for construction updates via email at [TVWD.org/189th](https://www.tvwd.org/189th).

If you aren't able to attend and have questions, contact Justin Dyke at (503) 848-3000 or Outreach@TVWD.org.
